

B.Com with ACCA – Fast-Track Your Global Career

Step into the world of global finance with the integrated **B.Com + ACCA (Association of Chartered Certified Accountants)** programme at Mar Ivanios College (Autonomous), Trivandrum. Designed for ambitious students, this programme combines the strength of a B.Com degree with one of the world's most prestigious professional accounting qualifications.

With **up to six paper exemptions**, students can accelerate their journey towards becoming internationally qualified finance professionals. The ACCA qualification is widely recognized across the globe, opening doors to exciting career opportunities in accounting, auditing, banking, and corporate sectors.

Delivered alongside the B.Com curriculum, this programme ensures a perfect blend of academic excellence and professional competence, giving students a distinct competitive advantage in today's global job market.

Course Fee: ₹59,000 (for the entire ACCA programme); Examination fees are additional
