    (a) archaic   (b) contemporary   (c) foreign   (d) simultaneous

DIRECTIONS to Questions 6 - 10: *Read the following passage and choose the answers in the context of the passage:*

A well-dressed young man entered a big textile shop one evening. He was able to draw the attention of the salesmen who thought him rich and likely to make heavy purchases. He was shown the superior varieties of suit lengths and sarees. But after casually examining them, he kept moving to the next section, where readymade goods were being sold and further on to the hosiery section. By them, the salesmen had begun to doubt his intentions and drew the attention of the manager. The manager asked him what exactly he wanted and he replied that he wanted courteous treatment. He explained that he had come to the same shop in casual dress that morning and drawn little attention. His pride was hurt and he wanted to assert himself. He had come in good dress only to get decent treatment, not for getting any textiles. He left without making any purchase.

6. The young man was well dressed because
   (a) he wanted to impress the salesman
   (b) it was his wedding day
   (c) he wanted to meet the manager of the shop
   (d) it was his habit to dress well

7. The salesmen in the shop are described as people who pay attention to
   (a) only young men and women   (b) pretty women
   (c) only rich customers   (d) regular customers

8. The young man moved away to the hosiery section because he
   (a) was not interested in purchasing anything now   (b) wanted better cloths
   (c) did not like the readymade cloths   (d) was restless

9. The manager asked the young man what he wanted because
   (a) he would give him exactly what he was looking for
   (b) the salesman had drawn his attention to the indifferent attitude of the young man
   (c) he thought they could do more business with him that way
   (d) he thought the visitor was dissatisfied

10. The young man left without making purchases because he
    (a) did not have money
    (b) could not find any item of his choice
    (c) decided to come to purchase later
    (d) had come only to make a point about the indifferent attitude of the salesmen towards casually dressed customers

SECTION B: ARITHEMETIC ABILITY
