**Vishav Sharma**

Senior Customer Success Manager  
Clarivate Plc

Vishav Sharma is the Senior Customer Success Manager at Clarivate. With his strong expertise in research solutions such as Web of Science, EndNote, and JCR, Vishav has been instrumental in supporting the researchers and management at top research and academic institutions across the South APAC region. This includes top universities, research labs, and organizations across South Asia, South-East Asia Australia & New Zealand. He has been a regular speaker at various forums on best practices in scientific research discovery, analytics evaluation, and benchmarking. He also conducts the online 'Web of Science Certification Series' every year.

**Target audience:** Faculty/Research Scholars and Librarians

## The workshop will cover the following topics

- Understanding the Importance of the Literature Review
- Identifying gaps in current knowledge
- Guiding methodology and data analysis
- Strategies for effective literature search using Web of Science™

The workshop also covers '**Pivot-RP**' which is an online suite of tools for researchers and faculty that is accessible using a web browser. Pivot-RP provides research administrators, research development professionals, and individual faculty members quick and easy access to the right funding opportunities, funding, and people. Pivot-RP provides global and local connections that strengthen research by exploring new avenues for funding and collaboration – for faculty, staff researchers, and graduate students.
