Call for Project Fellow (Junior level)

Applications are invited from suitable candidates for the post of Project Fellow to work on the research project at the Centre for Tumor Immunology and Microenvironment lab, Department of Zoology, Mar Ivanios College, Bethany Hills, Nalanchira, Thiruvananthapuram, Kerala.

Title of the project	“An experimental study to evaluate the efficacy of Nano Immuno therapy-based blockade of iNOS pathway to improve immune surveillance in obese murine breast cancer model”
Funding Agency	Kerala State Council for Science, Technology and Environment (KSCSTE)
Project Investigators	Dr. Suboj Babykutty (PI)
No. of posts	One
Fellowship	Rs. 22,000/- per month
Eligibility	Master's degree in Zoology/Biotechnology/Molecular Biology/Immunology with at least 70% marks
Essential qualification	Priority will be given to candidates with work experience in cell culture and animal handling techniques, as well as those who have completed certification courses in these areas.
Duration	The project is for 3 years. Yearly extension is based on annual review of the performance. The position is co-terminus with the project.

Interested candidates can send their application along with C.V. by email to suboj.babykutty@mic.ac.in with a copy to ctimmic09@gmail.com on or before 25th July 2024. Only shortlisted candidates will be called for the interview. No TA/DA will be paid for attending the same.
